Kiss me hard before you go  
Summertime sadness  
I just wanted you to know  
That baby, you the best

- Lana Del Rey

yours mine & ours is pleased to present Nicole Wittenberg's *Boys of Summer* at the inaugural Upstairs Art Fair in Amagansett, New York from July 14 – 16.

Featuring a series of new paintings and works on paper, the boys of summer, align themselves to freedom and desire: freedom to love the people we want to love, fuck the people we want to and paint the boys that inspire us.

These images are created in a direct and open style, the paintings are subtle without ever being refined. Privileging the casual to the gussied up, boys lying in hammocks, gazing out into the heat of this fleeting perfect season.

The paintings inhabit the excitement of being alive and free. They are our first impressions and backward glances; they are the boys we cannot forget no matter how hard we try.
