The 30 Hottest Group Shows to See in New York This Summer

Group show season is upon us.

Sarah Cascone, July 3, 2017

15. “The Roger Ailes Memorial Show: Fair and Balanced” at yours mine & ours
There’s no exhibition statement for this one. Instead, the gallery website offers a New York Times editorial by Monica Lewinsky slamming the late Roger Ailes for spearheading Fox New’s negative coverage of her affair with former President Bill Clinton, and the sexist corporate culture he fed during his tenure at the network. The work on view is by Amy Bescone, Ria Brodell, Taylor Davis, Rochelle Feinstein, Nash Glynn, Cindy Hinant, Jane Fox Hipple, Sam Jablon, Tony Lewis, Gregory Lofthouse, Anahid Mishek, Hannah Rowan, Karen Schwartz, Siebren Versteeg, Allison Wade, Nicole Wittenberg, and David Wojnarowicz,
